Dear Mums, Dads, Guardians, Grandparents, Aunties, Uncles & friends,

The Friends Association of Cleddau Reach School needs you!

We are slowly gathering momentum to yet again hold **the best Christmas Market ever on Tuesday 27th November - PLEASE** come and help!

We are having a get together in school **tomorrow evening, Thursday 8th November at 7p.m.** to get more ideas and hopefully recruit more helpers to make this year a bumper fundraising event for our children to benefit from next year.

Every event organised by 'The Friends' helps fund more projects for the school whether it's enriching playground & classroom activities, contributing to school trip transport costs, school murals, new library books, the list goes on....

During this meeting we will be discussing all items linked to the Christmas Market. If you cannot make the meetings, but want to help in any way, please send a message via the Friends website or facebook page or fill in the slip below and hand it in to the school office.

Thank you in advance. We are looking forward to seeing/hearing from you.

From all at The Friends Association of Cleddau Reach.
